

GEESEPEACE

Goose Management Training

March 16, 7-9pm &

March 17 2-4pm

Canada Geese are attracted to suburban landscapes where they find nearby water, open spaces to watch for predators, and their favorite food, cut grass. Their growing population has led to an increase in human-geese conflicts.

GeesePeace is a non-profit organization endorsed by national wildlife protection and humane organizations including the Humane Society of the United States, the Fund for Animals, PETA (People for the Ethical Treatment of Animals) and the Doris Day Animal League.

Training through the GeesePeace Foundation has been successful in stabilizing Canada Geese populations while following a humane protocol.

Attend a training session and learn about:

Geese behavior, Why they are here, Leadership and Program Coordination, Canada Geese Population Stabilization, Site Aversion, What works-what doesn't, Egg Oiling Protocols, Regulations, Record Keeping, Safety, Public Information, and No Feeding Programs.

The training sessions will be held in Morristown's Town Hall at 200 South Street on Monday, March 16th at 7pm in Room 201 and on Tuesday March 17th at 2pm in Room 304 (the Senior Center).

Light refreshments will be served.

Seating is limited so pre-registration is required. You may register by telephone at 973-796-1975, 973-207-8049 or via e-mail at douglasbv@optimum.net.

The training sessions are supported by the Town of Morristown.

Refreshments and supplies are available through generous donations from the Burnham Park Association, Windmill Pond Association, and Deborah McComber - Morris Township.
