

Whippany River Watershed *Action* Committee *Celebrating Ten Years of Action!*

PADDLE THE WHIPPANY RIVER!

(See Your River from the Water!)

Trip leader, John Madden, Morristown High School Outdoor Club, will guide us once again on a tour of the beautiful Whippany River. The exact location and route will be determined once John has scouted out the conditions of the river closer to April 25.

To participate, you must:

- Be at least 11 years old and accompanied by an adult
- Have some prior experience
- Be able to swim
- Be able to carry a canoe/kayak alone or with assigned partner
- Wear a flotation device at all times.

A shuttle will take us from the end point back to where a delicious picnic lunch will be provided at about 11:30 a.m.

We recommend that participants provide their own canoes, but a limited number of canoes are available courtesy of the Morris County Park Commission. These can be reserved on a first come-first serve basis.
